### Location

WY Hwy 71 South of Rawlins

### Contract Value

\$7,782,225.00

### Company Role

Prime Contractor

### Project Description

This is a Wyoming DOT project awarded to Oftedal on Feb. 21, 2008 for \$7,782,225. It consists of a complete reconstruction of 9.53 miles of WYO Hwy 71 just south of Rawlins. Major items of work on the project include grading, drainage, crushed aggregate base, plant mix surfacing and other misc. items of work. The completion date for the project is June 30, 2009.

Oftedal's management team is led by Brad Olson, project manager, and Jim Wilcox, superintendent. Subcontractors on the job include:

- Industrial Builders – Milling & Grinding
- McMurry Ready Mix – Aggregate Production & Plant Mix Paving
- S & L Industrial – Traffic Control & Signs
- The V Corp. – Concrete
- Three Way, Inc. – Seeding & Revegetation
- V/R Sales & Service – Guardrail
- Wishbone Fencing – Fencing
